SureComfort™

Delivering Quality and Comfort

Insulin Syringes

SureComfort™ lubricated needles provide the best possible injection comfort. Clear, bold gradations for easy readability to assure an accurate dose. Oversized finger grip supports better injection control. Boxes of one hundred contain sterile poly bags of ten syringes. Needles are UV bonded to ensure stability. Listed in First Data Bank.

Pen Needles

SureComfort™ pen needles provide optimum comfort and convenience. Designed to be compatible with all insulin pens available in the U.S. A comfortable choice for any pen user.

Lancets

Find maximum comfort in a tri-beveled SureComfort™ lancet. Designed for universal lancing devices, these lancets are easy to handle when needed. Enclosed in a sealed protective bag to keep them sterile until the seal is broken. Convenient and portable.

Safety Lancets

SureComfort's™ pressure activated easy use safety lancets are designed for both patients and healthcare professionals. Needle retracts after use to leave no possibility of reuse.

Lancing Pens

SureComfort's™ push and click style lancing pen features adjustable settings. Box contains one lancing pen with easy to follow instructions.

Alcohol Prep Pads

SureComfort's™ moist, four layer thick sterile pads are saturated with 70% v/v isopropyl alcohol. Packaged in an air-tight seal wrapper for easy storage and convenience.
