In consideration of the above, Bristol Myers Squibb (BMS) will provide a **limited** Shelf Stock Rebate Program for eligible purchases which were made prior to the WAC reduction on January 1, 2026. Therefore, for year-end orders of Eliquis®, order responsibly and in line with patient needs to close out 2025. **Bulk purchases exceeding standard demand inventory consumption are not permitted and purchases made starting in December 2025 are not eligible for return.**

Eligibility of the Eliquis® Shelf Stock Rebate Program limited to the following:

- Eliquis® purchases made between Monday, December 22, 2025, and Wednesday, December 31, 2025, ONLY
- Purchases made at WAC pricing or under Eligible BMS Contracts (will be automatically considered for the rebate)
- Purchases made under any Federal Contracts are not eligible for this program

Once again, thank you for your partnership and dedication to patient care. If you have additional program questions, please contact EliquisWACRebateProgram@bms.com
