

Quality, Affordable Health Insurance Is Now Available To APCI Member Pharmacies!

Announcing APCI's NEW Association Health Plan

**Available For APCI Stockholders
& Their Employees!**

Announcing the NEW APCI Association Health Plan for members and their employees! APCI member pharmacies in at least 17 states are now eligible for High-Quality Health Insurance. Both APCI stockholders and their employees have access to this new valuable health insurance option through the APCI Association Health Plan. With over 1,800 members and 8,000 member employees, the New APCI plan takes advantage

of Large Employer Based Rates, which typically means Lower Rates and More Comprehensive Coverage! With the flexibility of multiple plans and insurance options available, members can custom-design a plan that will best meet their needs. To find out more about this exciting new APCI sponsored Insurance program and to learn more about the rates and benefits available, simply contact your APCI rep.
